Many forfeitures are about to accrue, from failure to pay taxes; many claims, otherwise good, will be barred by adverse possession of three years—that being the limitation; many titles of lands conveyed in the United States, cannot be admitted to record in Texas, for want of proper authentication. Owing to some one or other of these causes, the best lands are in a condition to be lost.

Having made it my business to become acquainted with all the laws relating to titles, and being determined to attend diligently to all claims confided to me. I require, in all cases, an advance in cash, sufficient to cover expenses of investigation. When that shall be done, I am willing to take a contingent interest in the lands for attention and services.

MONS. S. CHARTON respectfully informs his friends and pupils, that it is his intention of opening a course of French conversation and French composition, under such arrangement as may suit the attendance of those gentlemen who may be pleased to honor him with their fatronage. He would also be pleased to see those gentlemen who applied to him during the summer, and auch others as may be desirous of commencing the study with him, as he intends opening a class for beginners so soon as six scholars shall have been etgaged.

The Chartonian System, otherwise the system of nature, under which his pupils have so much profited, proving to conviction its superiority over all other methods of teaching the French language, wants but to be known to be appreciated.

GREATEST WONDER OF THE AGE.

NETIC FLUID.—These wonderful Rings, and the Galvanie Fluid, have created a great sensation throughout Europe, and are attracting crowds to see them, both in New York and Bostom. They care with astonishing rapidity rheumatism, gout, tic-doloreux, fits, cramp, sick headache, indigestion, paralysis, stiff joints, general debilify, deficiency of nervous energy, and all nervous disorders. They produce all the beneficial results of the ordinary galvanic battery, or electric and magnetic machines, without the injurious shocks which always accompany their application. The secret of preparing the Ring was discovered by Professor Harmance Christie, of London, in October last, and they have been recently introduced into this country by Dr. A. Christie, who warms the American public, from the beginning, to beware of spurious imitations. To guard against fraud, he will appoint but one agency in each of the cities of the United States.

Oct 13-codtd DR. SWAYNE'S COMPOUND SIRUI

OF WILD CHERRY,

The great remedy for consumption, colds, coughs, spitting of blood, brenchitis, difficulty of breathing, asthma, pain in the side and breast, whooping-cough, crough, and all diseases of the liver and lungs, broken constitution, &c.

THE above is the original and only genuinc preparation from this valuable tree, and has won its way to public favor by its unparalleled success in curing all diseases of the lungs, notwithstanding the many articles prepared by persons who have no knowledge of the science of medicine, in theory or practice; and some, more readily to deceive the unsuspecting, use a part of the name of the original preparation, such as "balsam of wild cherry," "Phanix balsam of wild cherry," "balsam of wild cherry," "balsam of wild cherry," "balsam of wild cherry and camfrey," &c.—all sprung up with a mercenary view, after Dr. Swayne's compound sirup of wild cherry had won a reputation in the healing art never to be forgotten by many a once cheerless fireside. Therefore the public should be on their guard, and purchase none but the original preparation, which is daily performing such assonishing cures in pulmonary complaints, after all remedies had failed, and the patients given up as hopeless. Thousands of certificates might be published, which would astonish credulity itself; but it is deemed unnecessary. Below we publish a few of the names of persons who have been cured by this wonderful remedy:

R. Jackson, D. D., formerly pastor of the first Presbyterian church, New York, testifies to the efficacy of Dr. Swayne's compound sirup of wild cherry, and recommends it to the heads of families, having witnessed its wonderful effect in more than one hundred cases, in relieving children of every obstantate complaint, such as coughing, wheezing, cho-king of phlegm, asthmatic attacks, &c.

Abraham Skinner, Crawford county, Pennsylvania, cured of a portracted cough, pain in the side and breast, &c., after being reduced to a mere skeleton.

James Osburn, Washington, Pennsylvania, cured of consumption and bleeding of the lungs, after being given up by several eminent physicians, and laving used most of the patent medicines.

This medicine, in all cases, gives immediate relief, and is a safe, pleasant, and effectual remedy, and worth a trial from the most skeptical.
